HISTORY/FACTS/ISSUES:

The Lake-Sumter Metropolitan Planning Organization (MPO) convenes a Technical Advisory Committee (TAC). The TAC is comprised of planners and engineers (view attachment B) from the various local governments comprising the MPO. Therefore, the input provided by the TAC is of a very technical nature. This may include making technical design recommendations and verifying that all documents conform to the appropriate standards. Marie Nicolette, the former Transit Coordinator for Sumter County, was named for membership to the TAC representing Sumter County Transit. Ms. Nicolette is no longer employed by Sumter County BOCC, and the alternate position is currently vacant. Consequently, we are requesting that Joseph Quinn, AICP, Transit Manager, be named to serve as TAC member representing Sumter County Transit and Deb Barsell, Community Services Director, be named his alternate.
